

**As the Client Service Manager, Christie oversees the administrative issues that directly affect our client's goal attainment. She is a graduate of University of South Carolina Upstate with a Bachelor of Arts degree in Interdisciplinary Studies. Christie worked for W.W. Grainger for 7 years and her employment background is in customer service. Before joining Global View in 2007, she owned a Computer Education Company that taught preschool children basic computer skills and allowed her to spend more time with her young son. Her Franchise achieved National Top 5 Franchise status in the third year of ownership.**

**Christie grew up in Spartanburg, but has called Greenville her home for over 20 years. She married a Greenville native and has a 13 year old son. Christie enjoys outside activities such as working in the yard, boating and relaxing on the beach.**
